ABOUT US

We Are Pioneer In Manufacturing of PVC, CPVC, Conduit Pipes & Fitting along with Water Tanks & various sanitary solutions with our state of art manufacturing since 1997 under the name **METRO GOLD COIN**.

In order to celebrate our **25 Years** journey we present our ISI Tile Adhesive Series **TILE CRETE**.

We bring you complete range of tile adhesives which can fulfill complete requirement and challenges of modern construction in Most flexible, efficient And economical way.

Our State of art machinery delivers best quality material every time therefore bringing you excellent quality material for long life adhesion and strength.

We hope and wish for your kind support & Blessings.

Mission: To provide best quality and service at affordable prices.

Vision: To become a major player in Tile Adhesive Industry with environment friendly products.

Grow with us:

PREMIUM FLOOR ADHESIVE

Tile Crete SilverMaxx tile adhesive is a wonderful mixture of cement, polymers, natural minerals and other aggregates to produce adhesive when mixed with water.

For installation of small and medium tile on floor for internal purpose only.

(Upto 4 Sqft) It is a fantastic product in single packing with unique features and advantages.

It is easy to apply and can be carried out by an ordinary labor.

ADVANTAGE: Ideal for fixing ceramic and vitrified tiles on floor.

APPLICATION: Designed for internal flooring application.

SUITABLE SURFACE: Cement mortar bed, cement plaster, cement terrazzo.

COVERAGE: Approximately 55-60 sq ft per 20kg with a 1/4 x 1/4 (6mm x 6mm) Square notch trowel for a bed of 3 mm

COLOUR: Grey

PACKING: 20Kg Bag

CERTIFICATION: ISI Type I Exceed ANSI 118.1

- Economical & Time Saving
- High Bond Strength
- No Shrinkage
- Zero Wastage
- Premixed

PREMIUM FLOOR & WALL ADHESIVE

Tile Crete GoldMaxx tile adhesive is a wonderful mixture of cement, polymers, natural minerals and other aggregates to produce adhesive when mixed with water.

For installation of small to medium ceramic and vitrified wall tile on flooring in internal, external and tile on tile application along with vertical internal application purpose.

(Upto 4 Sqft) It is a fantastic product in single packing with unique features and advantages

ADVANTAGE: Ideal for fixing ceramic and vitrified tiles on floor and wall tile meets ANSI 118.1 requirement.

APPLICATIONS: Designed for internal flooring application.

SUITABLE SURFACE: Cement Mortar bed, Cement Plaster, Cement Terrazzo.

COVERAGE: Approximately 55-60 sq. ft. per 20kg bag with a 1/4 x 1/4(6mmx6mm) square notch trowel for a bed of 3mm

COLOUR: Grey

PACKAGING: 20kg Bag.

CERTIFICATION: ISI Type 2 Exceed ANSI 118.1

- Economical & Time Saving
- High Bond Strength
- No Shrinkage
- Zero Wastage
- Premixed
- No Curing Required

BUILD AND SMILE

TILE GROUT

WIDE CHOICE OF COLORS HIGHLIGHTS THE BEAUTY OF TILES

Description:-

Tile Crete is Cement & Polymer modified Highly versatile, Flexible wall & floor grout.

Features & Benefits:-

It effectively fills the gaps and levels it self to give hard wearing non dusting.
It firmly holds the tiles together to give long life tot the tiles.

Application:-

For Interior / Exterior residential, commercial floor & wall surface in dry or wet conditions.

- Latest Technology
- Long Life Protection
- Durability
- Value for Money
- Resists Alge & Fungus
- Reliability

EPOXY GROUT

Description:-

It is a three component products.
It's a 100% solid Epoxy Grout with high chemical resistant hard wearing hygienic & impervious tile joint filler.
Its also available in sprinkling Grout with sprinkling effect in three various group.

Features & Benefits:-

Tile Crete Epoxy Grout High degree of resistance to abrasion and impact, strong and durable, 100% stain free anti bacterial & anti fungal.

Application:-

Floors, Interior, Dry Areas, Wet Areas, Showers, Swimming Pool.

Packaging:-

1Kg., 5Kg.

- Best Quality Time Saving
- High Bond Strength
- No Shrinkage
- Zero Wastage
- Premixed

GROUT ADMIX

WITH WATER REPELLANT TECHNOLOGY
POLYMER ADDITIVE
FOR USE WITH CEMENT BASED GROUTS

DESCRIPTION:-

Tile Crete Grout Admix is polymer based liquid admixture specially designed for use in combination with Tile Crete Grout it improve the performance of cement grout.

FEATURES & BENEFITS:-

Colour Fast, Flexible, Compressive Strength Shock and Chemical Resistance, Reduced Water absorption, Easy to Clean.

APPLICATION AREA:-

Floors, Interior, Dry Area, Wet Area, Showers.

Packaging:-
400ml.

- Seals, Protects and Strengthens Grout
- Colour Fastness
- Flexibility
- Compressive Strength
- Reduce Water Absorption
- Easy to Clean

TILE CLEANER

REMOVES TOUGH STAINS

DESCRIPTION:-

Tile Crete Tile Cleaner is an acidic cleaner which can be used to remove grout and adhesive haze, hard water deposit and other hard stains term tile and stone surface, Tile Crete Tile Cleaner can be used in interior as well as exterior application.

FEATURES & BENEFITS:-

Fast acting, Non-Corrosive, Easy to use.

APPLICATION AREA:-

Ceramic tiles, Vitrified tiles, Natural Stone, Concrete, Masonry.

Packaging:-
1Ltr.

- POWERFUL FORMULA
- RAPID CLEANING
- ONLY FOR USE PORCELAIN
- CERAMIC TILES
